

Can you color like Andy Warhol?

It's easy:

1. Print out the following pages
2. Use colored pencils, crayons, or paint to create something fun
3. Have someone take a picture of you with your pictures
4. Send one or all of your pictures to Roselle Arts & Culture – bstein@roselleartsculture.org along with your name and contact info, and we will post them on our social media and website ... you might win a prize too!

Example

Above is an example of an Andy Warhol style painting. He would paint each square a different color, and then paint each image inside the square a little different too. This style can be referred to as “Pop Art” in which artists use common objects for subject matter in a repetition style.
